Tom,

I am available to attend the meeting on any of the days proposed, but I am leaning towards the 12th of May to accommodate Mike Rieger schedule. Please include Deb Grimm for this tentative meeting, we look forward to attending.

Subject: Potential Meeting Dates

Mike Cirian, EPA Region 8 RPM, is planning a trip to Helena in the not too distant future. I'd like to set up a meeting with him to discuss the CFAC site, status, questions, and path forward. I'm thinking the week of May 9th would be pretty good, I was thinking

Tuesday 5/10 1:00 pm to 3:00
Wednesday 5/11 10:00 am to Noon
Thursday 5/12 8:00 am to 10:00

We may not need two hours but since he is driving down, I'd rather we have the time to have a full discussion. Let me know and I'll work to get something set up that most of us can accommodate.

Mike, several folks are out, so give this a few days.

Tom
